

CIBOPLUS/B - Lincat CiBO+ High Speed Oven -Black

 CiBO+ utilises a unique tri-heat technology.
 Microwave, TurboAir, and ContactBase, combined deliver unrivaled quality, speed, and consistency.

- TurboAir distributes high-speed airflow in a cylindrical pattern over the food for fast even colouration.
- Adjustable temperature control, rapid heat up, and direct cooking on the toughened neo ceram ContactBase delivers perfect base colouration and crispiness - there are no soggy bottoms with CiBO+!
- A rear launched microwave with a stirrer brings speed to the cooking process.
- Achieve the same high quality results for every order. Simply press any one of the 40 menu items on the QPad touch screen and the oven will do the rest.

CiBO+ utilises a unique tri-heat technology. Microwave, TurboAir, and ContactBase, combined deliver unrivaled quality, speed, and consistency. Cooking in seconds, not minutes without compromise on the quality of food delivered.

- Easily customise the position of menu items or recipe settings to suit your business with Touch & Change. Just touch what you want to change.
- 395mm x 665mm compact footprint with a generous sized oven. CiBO+ can fit anywhere yet still deliver a 12* pizza.
- No installation required plug- in and cook.
- Utilise non-traditional spaces with ventless technology.
- Antimicrobial protection reduces the spread of viruses on touch points
