

**CIBO+ CIBO COUNTER-TOP FAST OVEN - TEAL GLASS FRONT - W
437MM - 2.7 KW**

MODEL: CIBO/T

An innovative fast oven, which can produce a wide range of perfectly-cooked food in less than three minutes. Able to cook, toast and reheat multiple fresh and frozen foods, CiBO's versatility provides a full cooking platform for outlets, enabling them to expand menus, deliver food of a consistent high quality and maximise profit.

CiBO uses a patent-pending combination of three different heat sources – convection, grill and a heated base – to deliver fast results. Space-saving and compact, it operates from a 13-amp plug and is ventless. This eliminates the need for costly ventilation and makes it suitable for a wide variety of cafés, bars, restaurants and quick-serve outlets, as well as event and mobile catering.
